MEMORANDUM FOR: Chief, Tel Aviv Bureau  
THRU: Chief, Operations Group  
FROM: Chief, Engineering Division  
SUBJECT: External Training for Local Technician  
REFERENCE: MTA-1019 dated 28 August 1981

1. The Engineering Division is presently in contact with several organizations that have correspondence courses in all phase of electronics. These courses vary from basic electronics to microprocessors.

2. The Engineering Division has requested that money be budgeted in FY-82 to enable us to enroll several of our local technicians in some of these courses. The courses will be tailored to the qualifications of each individual technician.

3. [ ] has been included on our list of persons to receive some of these courses. Let me emphasize the courses will be on the level that we think the technician will be able to grasp and will most benefit FBIS. STAT

4. We will be contacting you after all has been firmed up as far as availability of monies and as to what courses we are recommending for [ ] STAT

5. All necessary paperwork will be handled from Headquarters when the time arrives for the enrollment. Budgeting will also be handled from Headquarters so you will not have to show any money for this type of training during your budgeting cycle.
